EASTER GREETINGS

PAN AMERICAN -----
(Cont. from Page 1, Col. 5)

Mr. Sloan, born in Milltown, Indiana, attended the University of Colorado and received his B.S. degree in Civil Engineering in 1948. He joined Pan American the same year as a Junior Engineer. In 1952 he moved to Calgary as a Senior Staff Engineer after serving in various engineering capacities at Casper, Wyoming.

Mr. Lutz, a native of Ft. McMurray, received his B.Sc. degree in Chemical Engineering at the University of Saskatchewan in 1954. Since joining Pan American in 1955, he has held various engineering and supervisory positions in the Canadian Division.

D.V. Highlights

By: Edith Deby

Mr. Wough Sr. had the misfortune to break his wrist when he fell last week.

Mr. Frank Hazard attended a district dance two weeks ago wearing a lovely fur jacket. Some women, or persons, unknown, felt this merit need was greater than Mr. Hazard's and at home time no fur jacket was to be found.

Mr. and Mrs. William Johnson and family will visit Mr. Johnson's parents in Manitoba during the holidays.

Mr. Samuel Wallace is a patient in Drayton Valley Hospital.

Death came last Monday to Mr. Ed and William Langford of Edmonton. He was ninety years old. Many residents of Drayton Valley will have known Mr. Langford as he was

the founder of the Langford Post Store and Post Office located on a section of Highway 16 which is now by-passed.

He is survived by his widow, three sons, one of whom now owns the Langford Store and two daughters. One daughter is Mrs. George McMorris of Drayton Valley.

HOSPITAL AUXILIARY

The regular meeting of the Hospital Auxiliary was held on April 6, 1965. There were thirteen members and one guest present.

The auxiliary will hold a cash bingo in the E.R.'s hall on Wednesday, April 21, 1965. It was also decided to have the Florence Nightingale tag day on Saturday May 6th 1965. There will be the usual tea and open house at the hospital on May 12, 1965 in honor of Florence Nightingale. Everyone is most welcome to attend. Mrs. Koehler of Yvonne's flower shop has kindly offered to donate flowers for the tea which will be raffled there. Also Mrs. Marion Palmer will arrange for the military class to display the hats they made at this tea. This year the auxiliary will again be giving a silver spoon to the baby born on Florence Nightingale day or the nearest day to it.

The next meeting of the Hospital Auxiliary will be held on May 12, 1965 at 8:00 p.m. in the nurse's residence. Anyone interested in joining or coming as a guest please contact Mrs. Nelson at 545-2922.

Visitors may play an important role in inducing some types of cancer in human beings. Research to explore the possible role of viruses in cancer is among the projects supported by contributions to the Canadian Cancer Society.

NURSING HOME POSSIBLE FOR DRAYTON VALLEY

The Chamber of Commerce appointed committee to investigate the possibilities of obtaining a Nursing Home for this area has done a tremendous job... with the result that a Nursing Home is a very definite possibility in the near future.

Following a report by Drayton Valley Municipal Hospital Business Administrator Lyn Kramer that beds in the hospital were being occupied in increasing frequency by patients that were coming in because there was no adequate nursing care in the district, the Drayton Valley Chamber and Commerce Chairman appointed a Committee to investigate the matter.

The committee was composed of the Rev. Jim Strachen, Chief Constable Al Miles and Lyn Kramer. The committee survey of the area and found that there were about a thousand persons over sixty years of age in the district served by Drayton Valley. Many of these are even now in need of Nursing Home care, and many more in the future will be in need of such service.

Following the compiling of the report a committee of Chamber of Commerce members and the committee met with the members of the Edmonton Rural Hospital Board. The delegation, composed of H. Pickup, A. Braden, W. Johnson, E. Thompson, Bill Dunderhoff and Don McKenzie reported that they had a number of meetings with the Board, in which they were very constructively received, and as the result of these meetings and submissions given to the Edmonton Rural Hospital Board, members of that Board came out to Drayton Valley to look over the situation.

Chamber of Commerce A. Braden has spent several days in Edmonton looking over Nursing Homes and talking to contractors. In addition to officials of the Rural Hospital Auxiliary Board. Every assurance has been given that the committee will undertake the summer on a six-year-old Nursing Home in Drayton Valley. Three or four sites are presently under negotiation.

On Saturday, April 17th., Dr. Easton and Mr. Ralph Ulverland met with local Municipal Hospital Board members, doctors and members of the Drayton Valley and District Chamber of Commerce relative to the establishment of a Nursing Home for this area. In the above picture, left to right, they are: Mr. Ulverland, contractor, Dr. Easton, His Worship Mayor H. Pickup, centre row, 1 to r. Rev. J. Strachen, Don McKenzie, Lyn Kramer and Al Braden. Back row: Dr. H. Macleure and Dr. David Lewis. The group are standing at the local hospital entrance.

CURLING CLUB TO PLAN GALA-SEASON CLOSEOUT

There will be table settings for groups of four and eight, we would urge you to get your tickets early as there is a limited number and over half the tickets have been sold. You can get tickets for the Evening from any member of the Curling Club executive or you can pick them up at NORMA'S NEWS AND CONFECTIONARY.

LIONS PLAN OUTDOOR CARNIVAL

A regular meeting of the Drayton Valley Lions Club was held in the Cardium Room on April 6, 1965. Total attendance was increased when some twenty odd members from Thornby paid a welcomed and surprised visit.

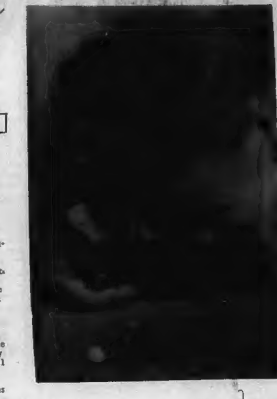

The Bingo Committee of Drayton Valley Lions Club is very poor and slow. Card sales are available from any Lions member or from one of the various merchants in town.

A letter from the India Lions Club confirmed necessary "go ahead" procedures for the 1965-66 season. In February 1965, the Drayton Valley Lions Club paid a sum of \$30.00 towards a total of \$3,000.00 that was required to send this boy from India to New York for a necessary surgical operation. The India Lions Club matched this \$3,000.00 and donated it to Care of India. This project, spearheaded by the Leithbridge Lions was undertaken by District 37.

Drayton Valley Lions are holding a Gigantic Outdoor Carnival June 12 and 13. (Cont. on Page 3, Col. 4)

Nursing Week April 19 - 24

Spring is Here ??

HAS SPRING REALLY SPRUNG? PETE JACOBS, OF JACOBS PHOTO STUDIO wandered around town recently, just before this latest outburst of winter, and took some Spring pictures. WHO IS THIS NOSE-TO-GROUND MARBLE SHOOTER? The first one that arrives at Jacobs Studio with the answer will get ONE DOLLAR. (Sameer snapshots excepted) Other spring pics by Jacobs are on page 9. How many can you identify (no money involved, of course)

Baseball Meeting

BASEBALL MEETING - An organizational meeting for intermediate baseball will be held in the Recreation Office, Thursday evening, April 22 at 8:00 p.m. All those interested in playing, coaching, or taking part in any phase of the promotion of intermediate baseball in Drayton Valley this summer are asked to attend, this meeting. It is expected that the local team will be competing in the Northwest Baseball League again this season. This league is composed of teams from Edson, Jasper, and Hinton, among others and features a fine caliber of baseball.

The Hawks in Six

SAFETY PROTESTANT-OR MIKE GORLEY. ED, a note: If you don't agree with him, argue with him, not ME! The powerful Chicago Black Hawks led by the "Golden Hawk" Bobby Hull came through in fine style to eliminate the game and determine Detroit Red Wings and reach the Stanley Cup Final. Now the Hawks will be on the same rink for even games or less with the young and fast-moving Montreal Canadiens. If Hull keeps up the pace he set against Detroit and the rest of the team keep playing that steady, powerful type of hockey of which they are capable, will then the "Barred Man" should get the Chicago in six games or less.

Ode to the End of Curling Season

The Stranger

Who is the stranger, Mother Dear?
Look, he knows us, ain't he queer?
Hush, my son, don't talk to wit!
That's your Father, dearest child.

That's my father? Not at all!
Daddy died - away last fall.
Daddy didn't die, you dub.
Daddy joined the Curling Club.

But the Club has closed so he
And he nowhere else to go, you see.
Nowhere else that he can roam,
And so Daddy's coming home.

Kiss him, he won't bite you child,
All them curling guys look wild!

The Club Playoffs are now
underway. This will be a
modified double knockout
for the Carling Trophy. All
teams will participate in
this draw. The final will be
Sunday afternoon, predic-
tions show that there may be
more upsets in this than in
the regular season play.

The mixed club will end
the season with a party in
the lounge of the Curling
Club on Saturday evening,
with the final in the three
event bonspiel to wind up
on Sunday evening, the
winner of the first event

will be declared the Mixed
Curling Club Champion of
Drayton Valley and will re-
ceive the Talbot Trophy.

KLONDIKE DAYS
MELDRAMMA TO RING IN
KLONDIKE DAYS '85
Rip-roaring melodramas from
the music halls of the 1930s
will raise the curtain on Ed-
monstone's Klondike Days
this year.

The Drunkard, run-walked
saga of the gauntlet era that
waged more heartbreak than
Jackie Coogan and Shirley
Temple combined, will play
at the Embers from July 20
through July 27th, the week
before Klondike Days.

Jack McDermott will direct
local talent in the show,
which is guaranteed to go a
long way toward setting an
authentic background for
Edmonstone's big annual Klon-
dike celebration.

Manager Tommy Banks came
forward this week to offer
The Embers for the Drunkard
because the informal night
club setting is a natural for
such a production.

Hissing & howling and jeering
from the audience can be ex-
pected to enliven the show,
traditionally subjected to
these interruptions.

Drunkard's theme songs.

JOHNSON - SHEWFEET WEDDING

In a lovely ceremony, March 20, 1965, Delphine Thelma Johnson, eldest daughter of Mr. and Mrs. Andrew Johnson became the bride of Mr. Edwin Shewfelt, son of Mr. and Mrs. Clarence Shewfelt of Drayton Valley. Pastor D. Hield of the Church of God, performed the rite. Wedding music was provided by Mrs. Tongen, with Mrs. Lila Shewfelt as soloist. Given in marriage by her

father, the bride was beauteous in a long white gown of nylon net over tulle, and shoulder length veil. A crystal necklace was her only jewelry, and she carried a bouquet of red roses.

Maid of honor Mrs. Verne Hines, sister of groom, wore a dark blue dress, and carried yellow roses. Best man, Merivale Johnson, cousin

of the bride, and Lila Shewfelt sister of groom wore light blue matching dresses and carried pink roses.

Best man was Ed Hines, while the ushers were Barren Kennedy, Gary Johnson brother of the bride, Mrs.

Mrs. Johnson mother of the bride wore a blue suit with pink accessories.

Mrs. Shewfelt mother of the groom wore a 2 piece beige dress, with black accessories.

Reception was held at the Elks Community Hall at 6 p.m. and a dance followed.

Mr. and Mrs. Shewfelt will reside in Drayton Valley.

PROJECT TO INVESTIGATE CAUSES OF TRACTOR ACCIDENTS ON PUBLIC ROADS

A research project to investigate the causes of tractor accidents on public roads is being undertaken by Professor E. T. Stephenson of the Department of Agricultural Engineering at the University of Alberta.

The Alberta Department of Agriculture has given \$5,400 in support of the project.

The object of this study is to try and determine the underlying causes of road accidents and the high proportion of tractor fatalities that take place on public roads. (Cont. on Page 9, Col. 3)

Harold McLaughlin Honored By Seed Growers

THE CANADIAN SEED GROWERS ASSOCIATION

This is to certify that

H. McLAUGHLIN

has been awarded the

LONG SERVICE AWARD

In recognition of 15 years of successful pedigreed seed production beginning 1949

Given December 11, 1964

President: Gordon Smith

Secretary: C. J. McLaughlin

From the Stony Plain Reporter.

SEED GROWERS HONOR HAROLD McLAUGHLIN—March is Good Seed month and a special report on this subject is carried in last week's Reporter. It is fitting therefore that we are able to report a special citation received last week by Harold McLaughlin at the annual convention of the Alberta Branch of the Canadian Seed Growers Association at Calgary. The citation was a Long Service Award, (above) in recognition of 15 years of successful pedigreed seed production. Mr. McLaughlin is president of the Stony Plain Seed Cleaning Assn., winner of the Massey Farm Family Award for 1963, and a prominent seed grower in the district.

The Alberta branch of CSEA is made up of 800 growers of pedigreed seed. The convention was held in conjunction with the Calgary Chamber of Commerce Short Course and Provincial Seed Fair. Mr. McLaughlin, for a number of years a director of the Association, was elected vice-president last week. The new president is Charles Moore of Dabolt, also a Massey Farm Award winner. Elton Mann of Ponoka is the retiring president.

THIS MAN'S DISABILITY INCOME STOPPED TOO SOON

Many plans available to-day provide an income for short periods only. But disability statistics indicate one in three of us will be disabled for 3 months or longer before age 65 and the average length of disability will be nearly five years—30% will be permanent. Manufacturers Life specializes in providing income not only when you need it but for as long as you need it. Our Personal Income Protector Plan is a flexible policy to which can be added a unique stepped benefit. This flexibility puts long term income protection within the means of many who could normally afford only short term protection. Ask the Manufacturers Life representative for more details.

gether in the Rotary district for this area is to be held in Edmonton on May 7 and 8. It was announced today by C. D. Fule, president of the local Rotary club. At the meeting, he said, we will discuss matters relating to this Rotary district. In addition to hearing informative addresses and making plans for increasing our service activities.

A delegation of several members of the Rotary club of this type are scheduled to attend the conference. The presiding officer at conference sessions will be Elmer E. Rogers, of Edmonton, who is governor of this Rotary district which comprises Western Saskatchewan, North Dakota, S. C. and all of Alberta.

Among the principal speakers on the conference program are Percy Hodgson from Parkland, U.S.A.,

The program will also include special entertainment and hospitality features, such as The Klondike Dinner and Dance Friday, May 7.

The conference will nominally be a Rotary event to serve as a gathering for the governor of this district for 1965-66. He will be elected, along with 270 other members of districts in all parts of the world, at the Rotary International's 1965 convention in Atlantic City, New Jersey, U.S.A. Rotary governors supervise and coordinate the service work of more than 11,500 Rotary clubs with a total membership of 555,000 business and professional men in 125 countries.

Over 65 and want more out of life? Investigate an Annuity.

Life on "just enough" income can be a frustrating and dull existence. Yet it's the life led by many people today who live on a limited pension. Extra money from interest and dividends on their investments can help, but in many cases it's still not enough to really enjoy life. Selling investments for cash is a temporary solution but it's the long run it means less income and more money worries.

RECREATIONALLY SPEAKING BASEBALL COACHES CLINIC The Baseball Coaches' Clinic scheduled for next Sunday, April 25, has been postponed to Sunday, May 2. The main reason for the postponement was the fact that the April date was conflicting with an Intermediate Baseball meeting in Edmonton, which is of vital importance to local baseball people. Doug Barnett and Ken Machan, two of the clinic instructors will be attending the Edmonton meeting. Moreover, with the very unfavorable and unseasonable weather the clinic might be better received and more widely attended at the later date.

The clinic will be sponsored by the Drayton Valley Athletic Association and will be held in the Recreation Office. The Chairman of the proceedings will be Association President Clayton Hoesinger. The instructors are Doug Barnett, Ken Machan, George Lecky and Your Truly. The clinic will provide drinks on many levels. You can, for example, and the kind of annuity you buy. One popular type would give a man age 70 who deposits \$10,000, an income of \$1248 a year as long as he lives. For information on an annuity to fit your needs, just call the Manufacturers Life representative.

SWIMMING NOTES: At this writing it is the weather or even be talking about swimming, however, we hope that there will be a change for the better and very soon, in any case the basic plans have been laid for the operation of the swimming pool this summer. We plan to open the pool on Sunday May 15, however, with the snow of winter still drifting, this date would seem pretty unrealistic right now. There

is a great deal of work to be done and little of it is possible before the ice and snow clear away from the face of the pool. Every attempt will be made, however, to meet the postponed date and this is impossible the facility will be opened at the earliest possible date.

The operational policy of the pool has changed somewhat. The position of 3 swimming Pool Supervisor has been eliminated and this year the Recreation Director will serve as Swimming Pool Manager with the necessary, fully qualified lifeguard, working under him. The pool office has been removed which should be conducive to the efficient operation of personnel and more satisfactory for the pool patron.

The schedule will follow closely the 1964 pattern with a few minor changes which we hope will be to the greater satisfaction of all concerned. During the month of April and August the pool will be in operation daily from 8:00 a.m. to 10:00 p.m., during the week and from 1:00 p.m. to 10:00 p.m. on Sunday. Any type of the pool beyond the forementioned scheduled hours will be on considered on a special private basis and will have to be organized and arranged for by the group or group concerned regular admission fees.

A.A.R.N. NEWS

Drayton Valley Chapter #53 of the A.A.R.N. met at 8 p.m. Wednesday, April 14, in the Nurses Residence with 8 members present to hear Dr. Brown of the Edmonton Health Unit speak on immunization and immunization. He emphasized the importance of

all persons helping their immunization injections up to date. This is especially so for nurses in order that they may give nursing care to any patient who may have typhoid, polio, diphtheria, etc. (and there could be many more).

Current immunization is therefore vital important to nurses doing active duty and also of importance to inactive nurses, who may at any time or who may be called upon in any emergency. We were reminded how important it is for the mass of the house, in other words, the broadness to have his polio injections and Sabin vaccine to protect him from a disabling disease as well as keeping him from losing income. This also applies to Leukemia (Leukemia) which can be a result of age, wound, especially dirty cuts. So contact your health unit for your combined injections and any other information or immunization.

Dr. Brown also gave a view of the discovery of and development of present day vaccines. Remember that your injections are free of charge.

Following lunch with Dr. Brown, the business portion of the meeting continued. Copies of the Chapter By-laws are being prepared and should be ready by May 15th. Investigations will be made as to the possibilities of indexing and binding the American Journal of Nursing now located in the hospital. As

our "Adopted Patient" at Ponoka likes embroidery work and magazines, a pair of pillow cases will be sent to her and any members are asked to send her magazines they are ready to part with.

Regarding the Convention at Lacombe May 28 - 31, no one has given definite assurance of being a voting delegate. However, if any nurse is able to go please let President Marilyn Williams know. Perhaps a car load of nurses could go for even one or two days.

In regard to Publicity for nursing week April 19 - 24 it was reported that M. DeGiacco had an opportunity last week to speak to the high school students. There will be a window display in the Hudson's Bay and Pottery in the Triple S Variety Store giving the names of the School of Nursing and the dates of open house in Edmonton.

Mary Chamberlain, Macdell and Mr. Hammerlinde for their co-operation in advertising Nursing Week.

Mr. Finlay from the Dept. of Public Welfare will be guest speaker on May 12th. Reported by Hy Dahl

SEE THY LOVE
I see the power of Thy love, Dear Lord, oh yes, I feel
Thou lowest all mankind on earth
Thou lowest even us.
—Julius Ann Janney—

HALLELUJAH
Since I found Christ,
I have to tell
How great His love
That saves from hell,
The love that hung
Him on a tree
That gave himself
For you and me!
The love that let
The soul have mercy
On Calvary
That darkness day!
The love that said,
"Not my will, Thine,"
Within the Garden's
Lone confinement!
The love that rose
From out the tomb
To provide me with
God's upper room!
—Ira Jerviss Kellogg

MY HEART SINGS
Sometimes I am discouraged
About so many things,
But when I hear Jesus
He makes my heart just sing

The Chapel Hour Treasures of the Snow

Has God entered into the treasures of the snow?—Job 38:41.

By Rev. Hugh A. McLeod

SNOW is seldom mentioned in scripture since snow is relatively rare in Palestine. We read only twice in the Bible of an actual snowfall. Snow does not fall on the coastal plain but on the coastal ridge of Palestine. Two out of three years, there is a snowfall in Jerusalem during December, January and February. Usually it is light and melts quickly, but sometimes it lies in the hollows for as long as two or three weeks.

Galilee is less likely to have snow, but when it does it has a heavy fall. Lebanon, "the white mountain," is always snowcapped as is Hermon with its lofty dome. So we can see that the East had learned something of the "treasures of the snow" and had fallen under the spell of its white beauty. It was a pertinent question to get to the perplexed Job, "Has then entered into the treasures of the snow?" It is a still more appropriate question for Canadians whose land is a very "Land of the Snows."

What then are some of these treasures? **Abundance**
This is something of which the Hebrew could not dream for "the early snow morning we passed away at noon." But a Canadian can never think of snow without being reminded of its abundance. Our snow-covered hills are very vast and deep—upon the peaks of the Rockies and in the drifts of Labrador. There is snow in the orchards of Annapolis in purple-shadowed drifts it lies deep on the roofs in Churchill, and enfolded into mysterious shapes along the basin of the MacKenzie. The abundance of snow is one of its treasures.

There is no scarcity with God. We are highly favored in receiving the harvests of the fields and mines, the forests and the seas. This should dispose us to have generous hearts and hands for all in need, at our own doors and in the regions beyond. To whom much is given, much shall be required.

We are the heirs of "the unspeakable riches of Christ." We know the fate of those who hoard treasure in the earth and do not share it. We are to "go into all the world and preach the gospel," and we are to help our neighbor who has fallen amid the perils of the road.

Brightness
Brightness is a treasure of the snow—the "miles of glistening diamonds, the acres of wedding cake," when it comes in November and clothes the prairie and is gleamed in the sunlight. There are treasures in the jewels of sunlight and in the moonbeams in the winter valleys—treasures for rich and poor alike. Their loveliness surpasses the flashing of the emerald or topaz.

Job must have thought of these treasures that lay in the snow and I suppose that Jesus marvelled in the snow's brightness on the hills—like the brightness of God's garments in a desolate country.

Because we have seen God's light on the snow-covered fields and His light upon our days and in our hearts, we have good reason to discover the brightness to discover wherever we may be. Who among us does not need the touch of gentleness and love? These are treasures still of countless price!

Purity
The snow's whiteness has ever shone as a rebuke. Against the perdition of sin, there is a word of forgiveness and acceptance of the penitent believer. "Come let us reason together, though you be as scarlet they shall be white as snow."

Canadians have abundant reminder of the symbol of purity. It is not when the snowflakes so marvelously made, so exquisitely wrought, more delicate than lace and "white as full on earth can white them," are soiled and darkened. We know what sin does and how it sullies all the whiteness of life. And we know what mercy can do—when the snow is lifted to the clouds again and made crystal pure. A and world this if there were no way back again. But ours is the gospel of redemption, of joy and winning and seeking back again. "Thy sins, which are many, are forgiven"—that is the word of the Savior. I pass it on to the fearful.
